The barge travels at a slow speed therefore catching up is not a problem.

There are 8 Touring Bikes on-board. Children's bikes, helmets and child bike seats can be arranged if required on request - please contact our reservations department at least 8 weeks prior to your departure.

## Dining Room & Saloon

The Saloon is a wonderful place to relax. It is light & airy and measures 42ft x 17ft (13m x 5m) and is furnished with sofas, a coffee table, two very comfy lounge chairs and a fully stocked bar which is open 24/7.

If you wish to use your electrical appliance on board, please speak to a crew member on arrival to ensure it is suitable for the barge's electrical system.

European Waterways cannot be held responsible for unforeseen voltage fluctuations which sometimes occur when swapping from one voltage system to another.

## Excursions

The Renaissance barge minibus is a 9-seater (including driver) air-conditioned long wheelbase Mercedes Sprinter. It is used for transfers and excursions during your cruise.

For charter bookings, the itinerary can be adapted to suit your group's particular needs. If a destination or excursion is within a reasonable distance of the barge, we will do everything we can to arrange it. ## Hot Air Ballooning

Once on board, the Captain can arrange this directly with the hot air balloon company on your behalf. Flights usually last between 1 and 1½ hours and are weather dependent. The cost is approximately 250 Euros per person. You will need to contract and pay the balloon company directly on the day of the flight (they do accept credit cards).

Kindly advise our Reservations team in advance if you are interested in ballooning. The main balloon operators we work with are Air Escargot [www.air-escargot.com](http://www.air-escargot.com) and France Montgolfieres [www.franceballoons.com](http://www.franceballoons.com)

## Laundry

We recommend you bring sufficient clean clothing for your cruise as there are no laundry facilities on board. However, the crew may be able to assist in an emergency on a request basis.

## Luggage / What to pack

Please try and fit everything for your cruise into one reasonably sized suitcase per person. Soft bags are preferable. There is only enough space on the barge transfer bus for up to 8 suitcases and 8 pieces of hand luggage.

Practical comfort and casual clothing is the norm aboard Renaissance and for most excursions. The dress code for dinner is relaxed and informal. For the Captain's Farewell Dinner on the final evening, guests often dress-up, which is optional.

The weather in Burgundy is generally warm. June, July, and August is the warmest often being in the mid 30's.

Suggested things to pack:

- Light clothing including shorts and T-shirts. A sweater or lightweight jacket is recommended for evenings and the air-conditioned interiors.
- During spring and autumn, you may need medium weight clothing. A lightweight raincoat for showery times would be advisable.
- In summer, a sun hat can be useful.
- Comfortable walking shoes with textured non-slip soles are recommended.
- Renaissance has a spa pool so don't forget your swim wear. Towels are provided.

## Medical

Please let us know in advance of your cruise if you require frequent or ongoing medical attention.

The crew are unable to administer medicines but can accompany you to a chemist for you to purchase any necessary medicines. Due to your cruise often being in a rural location, we recommend you bring all necessary medication with you.

Doctors are usually not far away for an urgent consultation and the Emergency Services can be called if required.

## Problem during your Cruise

If you have a problem during your cruise, please give us the immediate opportunity to make things right. Please bring any concern to the private attention of your Captain who will often be able to solve any issue immediately.

## Restricted Mobility

Please let us know in advance of your cruise if you have a physical disability and require any assistance.

Renaissance has a gangplank to the deck level from the bank of the canal with one handrail. There are no steps from the deck to the saloon but there are 14 steps between the saloon & the lower deck and the cabins.

Wheelchairs cannot be used on-board and can only be used to help get round on excursions, however often there are cobbled streets or rough ground which may hinder a wheelchair.

If you would like to hire a wheelchair to be available for your arrival, please notify our Reservations team at least 8 weeks before departure. The small hire charge should be paid directly to the barge Captain on arrival and is approximately 100 Euros.

## Safety and Security

Once you are on board, your Captain will talk you through the Cruise Safety Procedures. Safety Instructions are detailed on the last page of this document.

Please note that European Waterways cannot be responsible for any valuables that you bring on board. We strongly recommend that you do not bring valuables with you unless required and that you ensure that all valuables are covered by your travel insurance.

Gratuities are not included in the cruise fare. Tipping is entirely discretionary but is greatly appreciated by the crew if you are fully satisfied with the level of service on board. As a guideline, the average tip given by our guests from around the world is approximately 5% of the Cruise Fare.

The usual way to give the tip is to give the amount in cash as one lump sum to the Captain / Cruise Director on the last day of the cruise. They will distribute the amount equally amongst the crew.

Euros or Dollars are equally appreciated. ATMs are accessible for cash withdrawal on most itineraries during the cruise and the crew can advise where these are located.
